To Whom It May Concern:

This informational filing serves to advise you of a change to the signature block of New York Life's previously approved contract forms to reflect the new President of New York Life. A list of our contract forms currently available for issue and approved in our state of domicile (New York) is attached in the supporting documentation tab. The list includes forms which may or may not have been submitted and/or approved for use in your state; however, please note that no forms have been disapproved or withdrawn from use in your state. If a form was not submitted for filing/approval it is because it is not currently being offered for issue in your state.

The original cover page of each contract form is being revised in order to remove the signature of Theodore Mathas and replace it with the signature of John Kim. The signature block for some of these forms inadvertently may not have been bracketed.

New York Life respectfully requests that you acknowledge this filing at your earliest convenience. If you have any questions or need additional information, please contact me immediately at 1-800-695-8744, extension 4741.

Sincerely,  
Cynthia H. Cristello
